How to Order

Everything in this catalog is sold through **meekdukebooks.com** — our own front door. Most ebooks and digital products are sold **directly by MeekDuke Books** (checkout by Stripe, delivered instantly). Print books and merchandise are fulfilled by the trusted print and platform partners named on each item — Lulu for print, Bonfire, Printful, Zazzle, Fourthwall, Ko-fi, Payhip, and itch.io for the rest. Each product in this catalog shows its price and exactly where to get it.

The Free Pantry — always free

Our front shelf is free, forever: **Wally the Werewolf Learns Patience**, the ebook editions of **Alice's Adventures in Wonderland**, **The Wonderful Wizard of Oz** and **The Velveteen Rabbit**, **Baby Booger**, **Executive Dysfunction**, **The 1099, Translated**, the **Wally Coloring Book**, the **2027 Wall Calendar** download, and **Where to Get Help** — our state-by-state resource guide for families raising neurodivergent children. Download them all at meekdukebooks.com.

The SeeMore Format

Every MeekDuke book is published first in the SeeMore accessible format: large, clear type, generous spacing, and layouts built for dyslexic and ADHD readers — and for any reader who likes a page with room to breathe.

For schools, libraries & childcare

The Complete Blackthorne Academy Collection is available as a **Childcare Site License** (see Box Sets & Bundles). Bulk and institutional orders: reach us through the contact page at meekdukebooks.com.

Inside this catalog

Every section and category is listed with its page number in the **Contents** at the front — this catalog is made for flipping, not searching.

The Oddly Wired Supply Co. is MeekDuke's store for everything that isn't a book — organized the way you shop: Clothing, Reading Gear, Coffee & Mugs, Sensory & Fidget, Home, Lamps & Lighting, and more. Items marked *Direct* check out at meekdukebooks.com; the rest are ordered in the Oddly Wired store or at the partner named. Every product is carded individually with its own picture and price — every hoodie, every colorway, every mug. Nothing summarized, nothing left out.

THE MEEKDUKE BOOKS SECTION

Every MeekDuke book lives in this one part of the catalog — Blackthorne Academy children's books, the SeeMore Classics, nonfiction, The Vault's adult fiction, coloring books, and box sets. One shelf with its own divider; nothing bookish is mixed into the merch, and no merch is mixed in here.

Picture books from Blackthorne Academy, the school where every kind of brain belongs. Books 0–8, the Bedtime Tales collection, and our Accessibility Editions — audiobooks, captioned read-aloud videos, and learning PDFs.
